

Bulletin

God's Work Through Our Hands

As of January 31, 2020, \$890,016 has been pledged to our *God's Work Through Our Hands campaign* with \$641,230.62 received and interest earned (roughly 72 percent of the total pledged). As previously reported, our interior renovations and narthex proposals were submitted to the diocese for formal review by the bishop, liturgy office and building commission. The Strategic Planning Committee and Father Portelli are scheduled to meet with the diocese in April to discuss the proposals. Thank you for your continuing prayerful and financial support and patience as the project moves forward.

Prayer

Gracious God, with thankful hearts we pray for courage to willingly sacrifice our time, talent and treasure. Together with You and the Saints who have gone before us, help us build a community where all are welcome and Your Love may dwell. May Your Holy Spirit open our minds and hearts to a greater awareness and deeper appreciation of Your countless blessings. We ask this in the name of our Lord, Jesus Christ. Amen
