God's Work Through Our Hands

As of October 31, 2019, pledges and one time donations to our *God's Work Through Our Hands* capital campaign have resulted in \$882,738 pledged with \$597,647.25 received and interest earned.

Where we are at in the renovation process can be described by reading Luke 14:28, "And indeed, which of you here, intending to build a tower, would not first sit down and work out the cost to see if he had enough to complete the job." We are currently going through an intensive "value engineering process" to determine which changes are to be included, will need to be modified or eliminated to ensure the renovations fall within budget.

Thank you for your continued patience and prayerful and financial support as we hope to share the concept drawings in the near future. We are all very anxious to move forward and have no doubt the renovations will be well worth the wait.

Prayer

Almighty God, in Your love for us You have blessed us abundantly. We glorify You and give You thanks for all the gifts You have given us. Our faith, our lives, our loved ones. May our gifts of time, talent and treasure for the our Capital Campaign glorify You, the one God who lives and reigns forever and ever. Amen
