God's Work Through Our Hands

Quarterly updates are being mailed to all households that have pledged to our *God's Work Through Our Hands* capital campaign. In August, our architect and liturgical consultant presented their initial concept drawings of the interior renovations to the Strategic Planning Committee and Father Portelli. Drawings were “fine tuned” and along with a draft budget, presented at a followup meeting in September. We anticipate that at least one additional meeting will be needed to finalize the project at which time, drawings and associated information will be presented to parishioners. Thank you for your patience and continued support as the project moves forward.

Prayer

O Lord our God, we know that you have planned for us more than we can ask for, or can even imagine. Quiet our fears and guide us in any concerns we may have, that we may know and experience the abundant life that our Savior Jesus Christ calls us to. Be with us as we make the commitments of sacrifice and effort which will lead us into paths you have placed before us. We ask this in the Holy Name of Jesus. Amen
