God's Work Through Our Hands

As of August 31, 2019, 283 pledges and one time donations to our *God's Work Through Our Hands* capital campaign have resulted in \$882,217 pledged and \$569,512.49 received and interest earned.

Over the past month, our architect and liturgical consultant have been further developing their initial concept drawings. Both will be meeting with the Strategic Planning Committee later this month to provide updates to their renovation proposal. Thank you for your patience and continued support as the project moves through this tedious and time consuming portion of the renovation process. We have no doubt it will be well worth the wait!!

Prayer

Heavenly Father, we thank you for continually blessing our parish family. As we continue preparing for the future remind us that You are our hope. Send us Your Grace that we may have hearts that are open to Your Will. Guide and bless us, so that generations to come may continue to grow together with Christ, in this holy place. We ask this, and all things, through Christ our Lord. Amen
