

## Rosary Rally for Law Enforcement

**St. Michael,  
protect our police,  
so that they can  
protect us!**

**TFP**

To inspire law enforcement officers to protect the honest citizenry and quell the unrest, riots and killings that threaten to unravel society. Our police officers need public prayer and support. Join us in offering prayers beseeching the most powerful intercession of Our Lady during these trying times when communists have influenced the course of events pitting them against us in a most unjust and biased way.
