God's Work Through Our Hands

As we begin the third and final year of our *God's Work Through Our Hands* campaign, \$881,145 has been pledged with \$721,074 received including interest earned (roughly 81 percent of the total). Progress continues on finalizing the contract with our liturgical consultant for the interior renovations and our architect is working to develop construction documents for bids. We are expecting bids to go in late fall/early winter and anticipate breaking ground next spring (2021). If you haven't already done so, please take a moment to check out the most recent project drawings on display in the narthex. Thank you for your continued patience and prayerful and financial support.

Prayer

Heavenly Father, we thank you for continually blessing our parish family. As we continue preparing for the future remind us that You are our hope. Send us Your Grace that we may have hearts that are open to Your Will. Guide and bless us, so that generations to come may continue to grow together with Christ, in this holy place. We ask this, and all things, through Christ our Lord. Amen.
