

**Bulletin**

***God's Work Through Our Hands***

Since the Diocese Building Commission approved our renovation plans in October, the Strategic Planning Committee and I, in conjunction with our architect and liturgical consultant have been working through the tedious process of finalizing documents detailing all aspects of project construction including interior liturgical design, electrical, plumbing and HVAC. Construction documents should be finished and then sent out for bids within the next month. We are hoping to begin construction late this spring or early summer.

As of December 31, 2020, \$888,145 has been pledged to our *God's Work Through Our Hands* capital campaign with \$807,814 received and interest earned (roughly 90 percent). If you haven't yet made a pledge, campaign forms are located at the church entrances or at the office.

**Prayer**

Heavenly God and Father, we thank you for the many blessings and we turn to You with grateful hearts in anticipation for what is yet to be. Bless our capital campaign journey, as we move forward, placing our trust in You. With a deepening devotion to prayer, a spirit of hope and unity, and a generous and sacrificial heart, help us grow in love and mercy as we generously share our gifts of time, talent and treasure. We ask this through Your Son, our Lord, Jesus Christ who lives and reigns forever and ever. Amen
