

## March 6/7 Bulletin, Cantor & Prayer Announcements (#40)

### Bulletin

#### *God's Work Through Our Hands*

After planning for many years, parish renovations recently started by repairing and resealing the tinted/stained glass windows. Although the schedule is somewhat fluid, construction documents will be sent out for bids in March. We anticipate awarding the successful bid in April and hope to begin construction in May. While construction is ongoing, Masses and other parish functions will be held in the Activity Center until renovations are completed this fall.

As of January 31, 2021, \$888,145 has been pledged to our *God's Work Through Our Hands* capital campaign with \$823,345 received and interest earned (roughly 92 percent). We are working on a very tight budget so if you haven't yet made a pledge, campaign forms are located at the church entrances or at the office.

### Prayer

Heavenly Father, You founded the Church with Jesus as the cornerstone of our faith and have called forth ourselves to be living stones of the Church. We give thanks for those who in faith have made sacrifices to revitalize our parish and generously thought of future generations. May the legacy of generosity and sacrifice, for the glory of Your name, be imitated by us today as we focus on the future. We ask this through Jesus Christ Our Lord. Amen
